

# Thank You!

The greatest “thanks” you can receive is the smile from someone you’ve helped.

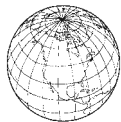

Life is a team sport. It’s amazing how much we can achieve when we come together, keep together and continue working together towards a common goal.

I’d like to thank all of the sponsors, players, volunteers and staff who chipped in to make the 2009 Phil Martelli Golf Classic an unparalleled success. You got in the game and helped Developmental Enterprises Corporation give mentally retarded/developmentally disabled men and women throughout our area a sense of independence, dignity and hope.

Make plans to be on my team when we tee it up again on June 8, 2010 at The ACE Club.

*Phil Martelli*
